Do you have the new
rules and New Textbook?

South Carolina CPO Now offered!!

Keep up with changes that affect the every day operation of a Pool or Spa in Virginia!

One Day Course –1st day only – This is a great class, even for the most experienced operator. You will learn the latest changes, how to reduce the cost of chemical usage, and avoid troublesome algae blooms You will also learn about new products that can save you money and make pool care easier.. This class is **highly recommended!**

Two-Day Course – (5 Year Certification) This course meets the requirements of the National Swimming Pool Foundation and the requirements of Virginia. You will also learn how to reduce the cost of chemical usage and avoid troublesome algae blooms. This is the most recognized certification in the industry and in every state. This class is **highly recommended!** - (Includes Text Book, Exam, Customized Handouts, Certification Card and Certificate)

Students are encouraged to bring a water sample from their pool for a professional analysis.

Learn from a current CPO and an award winning CPO instructor.

Free Follow up for 1 year – if you attend this course you will be able to contact us with any pool questions

Mark Cukro has a unique method of delivery and a simple to understand approach that makes material easy to retain and apply in the field. Students have voted Mark as the **Best instructor ever** at the Charlotte Apartment Association and many other associations around the country. Class will be fun and taught in a relaxed atmosphere in which everyone will learn and interact. **This class is highly recommended** and should not be missed if you want to accelerate your career. You will also get custom made hand out material that makes pool care easy. You cannot get it anywhere else.
